## FOR IMMEDIATE RELEASE

### SR-152 (Lovers Lane) Safety Improvement Project

**Santa Clara County** - The California Department of Transportation (Caltrans) started a project in early June of 2013 to improve safety on State Route 152 near Gilroy from 0.4 mile west to 0.6 mile east of Lovers Lane. This 1-mile stretch of SR-152 is being widened to make room for a left turn pocket to Lovers Lane, wider shoulders in both directions, and straightening out the sharp turns. The project will be completed in spring of 2015.

#### UPCOMING SCHEDULE:

Starting April 3, 2014, Caltrans will restrict access at SR-152/Lovers Lane intersection. This will be a 24-hour restriction until early June of 2014. The hours of construction will be Monday through Thursday 9 p.m. to 5 a.m. and Friday from 11:00 p.m. to 6:00 a.m. Saturday morning. There will be one-way traffic control from San Felipe Road to .4 mile west of Lovers Lane on SR-152. **Motorists should expect some delays through the one-way traffic control area until all lanes open in early May, 2014.**

**Closure:** Westbound SR-152 to southbound (left turn) Lovers Lane.

**Detour:** See map #1: Westbound SR-152 to southbound (left turn) San Felipe Road to westbound (right turn) Shore Rd to northbound (right turn) Lovers Lane.

*Note:* Motorists on Lovers Lane can turn right onto eastbound SR-152.

**Closure:** Northbound Lovers Lane (left turn) to westbound SR-152.

**Detour:** See map #2 & 3: Southbound Lovers Lane to westbound (right turn) Shore Road to northbound (right turn) Frazier Lake Road to northbound (right turn) Bloomfield Ave. to westbound SR-152.

*Note:* Motorists on eastbound SR-152 can turn right onto Lovers Lane.
